Parish Council News

Parish Council meetings are held on the second Wednesday of every other month (dates are on the notice board and the website). You are very welcome to attend and are able to speak during the Open Forum session of every meeting

The January Parish Council meeting was the meeting where the precept was agreed. This is the Parish Council portion of your Council Tax bill. Unfortunately this year we had to make a slight increase for the first time in many years. This was in mainly due to the funding we receive from Breckland District Council being removed. A band D household will have an increase of 20p per month, and as over 70% of households are band A – C that is an even smaller amount.

Breckland Council have a 'Warm Homes' Fund which offers funding towards the cost of installing first time central heating in privately rented or owned homes. If you would like more information please contact Breckland Council on 01362 656870 or www.breckland.gov.uk/warmhomes

WILD & WINDY Litter Pick

By Zena Rowland

Thank you to the seven good people who took part in Scoulton's annual litter pick. It was our most challenging 'pick' to date due to strong winds.

Once again we were ably led by Colin.

There were plenty of cans----thrown out of car windows? If you see anyone doing this please take their registration so that it can be reported.

However the general feedback was that there was slightly less litter than in past years.

Sadly no photo this year----too windy!

Many thanks to the "Seven" ---Roy & Cynthia, Tony, Colin, Andrew & Julie, Zena

Join us next year to keep our village tidy

Notice from the Village Hall Committee

The weekly coffee morning is now running between the new times of 10.15 – 11.30. All are welcome!
